He has already proved his mettle at junior-level cricket and is waiting to showcase his full potential on the IPL stage. But, Mahipal Lomror seemed to enjoy the big stage and was one of India's best performers in the tournament, despite being the second youngest player in the Indian squad. Lomror was, by far, the best Indian all-rounder as he put in consistent performances with both bat and ball. In five innings that he batted, Lomror scored 133 runs at an average of 33.25 and a strike rate of 100.75. The young talent from Rajasthan also picked up 7 wickets in 6 matches at an impressive average of 18.85 and an economy rate of 3.75. In the match against New Zealand U-19, the southpaw scored 45 and finished with bowling figures of 5/47. He was the only Indian bowler to achieve a five-wicket haul in the tournament. Lomror's 21-ball 41 in the quarterfinal against Namibia U-19 helped India post a huge total of 349 in 50 overs.
