Strongly disagreeStrongly agreeI appreciate the feedback, Ear! I used this resource in my high school SPED class, and it was absolutely perfect! The students were engaged and actively learning, and best of all, I didnt have to prep hardly anything. It made my lesson planning so much easier and effective. Highly recommend! Primarily students with learning difficulties, on the autism spectrum, and with mild to severe disabilitiesStrongly disagreeStrongly agreeI appreciate the feedback, Ashley! I discovered the resource was a little bit too much for my students to use. I am hoping to adjust it to be able to use it effectively in the future. Primarily students with learning difficulties, and that are emerging bilinguals/ ELs/ ESOLs/ ENLsStrongly disagreeStrongly agreeThis is a different way to outline the basic world religions. Students have to read to find answers. Sources are easy to use but thorough. This is the 2nd year I've used this as a study guide. Strongly disagreeStrongly agreeI appreciate the feedback, Shaunda! The resource was well put together and my students enjoyed completing it. Primarily students with learning difficultiesStrongly disagreeStrongly agree I appreciate the feedback!
